**DALFA**  
EXHIBITION & SEMINAR

## Objective

The fourth edition of DALFA Expo 2025 is the most prestigious event to be held annually in Pakistan as the benchmark of excellence. A joint venture by BXSS (Badar Expo Solutions) & DALFA Association (Dairy, Agriculture, Livestock Farmers Association of Pakistan, this mega event is aimed at providing a single platform for all businesses & SMEs operating in this sectors and its associated industry. The event is set to offer great prospects for generating economic activity and a conducive environment for allied industries to meet potential investors to work towards innovation and development.

## Why DALFA?

**DALFA** is a prestigious event introduced in 2021 for the first time in Pakistan, followed by the vision of the Prime Minister of Pakistan, as a benchmark of excellence and gateway to the country's economic stability in the above sectors. The 3-day expo will not only have exhibits from the subject sectors but will also attract large audiences from the local and international sector trade visitors, farmers, growers, experts and researchers of the Livestock business, public and private sector organizations, and foreign diplomats. The event aims to highlight, promote and invite participation in the most vital sectors of our economy, which acts as the key driver of our current and future investments decisions and work towards economic growth in the country.

**BXSS** is one of the largest event management companies in Pakistan with its Head Office based in the metropolitan city of Karachi. The company has been providing full-scale services not only nationally, but also to its international clients for over two decades. The company is a local brand with a wide footprint in event management having more than 1000 trade shows, exhibitions and national and international events of all sizes. Wexnet. Health & Engineering, Celebrating Sindh at Pakistan Pavilion at Expo 2020 Dubai, IDEAS Pakistan, IEEEP Fair, Pakistan Hospitality Show and Defense Port Turkey are some of the acclaimed events on its credit.

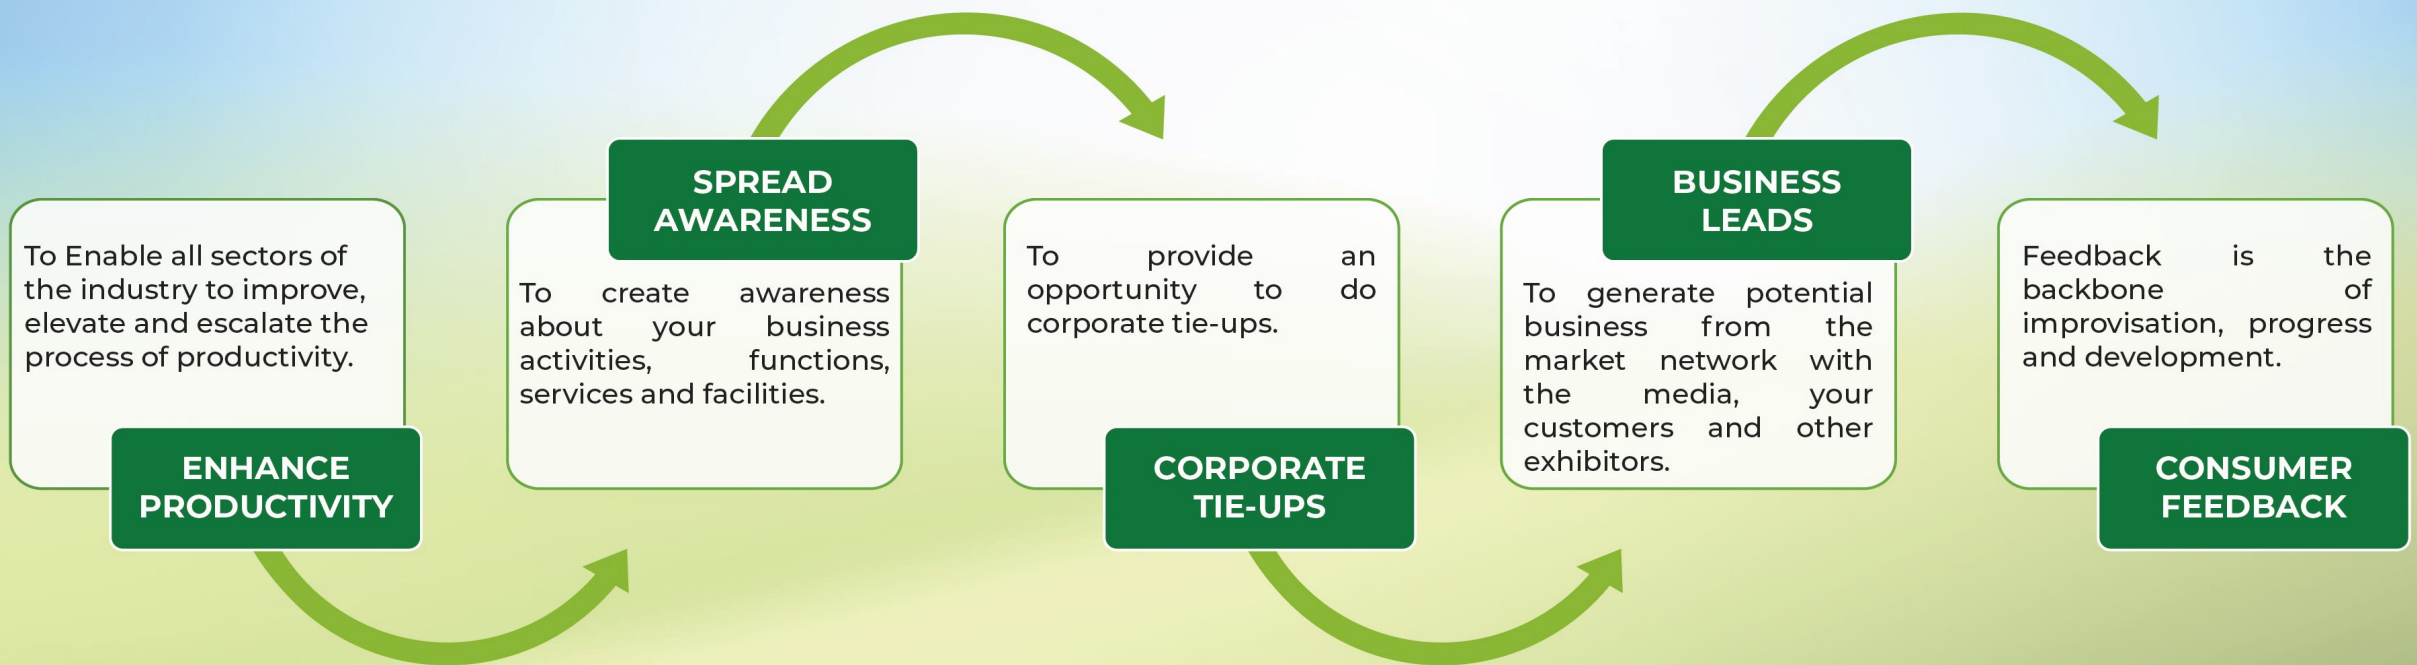

**Dairy, Agriculture & Livestock Farmers Association (DALFA)** is inspiring network of progressive and ambitious farmers. The association members exchange knowledge, experience and business opportunities. The ultimate objective of DALFA is to establish strong bonding amongst all the stakeholders in the private and public sectors and farmers which ultimately results in substantial increase in the national economy of Pakistan and also drawing attention to the benefits and investment opportunities in the said industries.

# Exhibitors Profiles

Agricultural & Processing Technologies

Ecological Agriculture

Tractors & Cabins, Trailers /  
Planting & Combine Machinery,  
Harvesters

Water and Irrigation Systems

Fertilizers like  
Chemical/Organic/Foliar/Plant  
and Soil Nutrients

Seed, Seeding, Sapling and  
Horticulture

Greenhouse Technologies and  
Other Equipment and Services  
for Farming

Livestock Raising includes  
Cattle, Ovine, Feed and  
Additives, Mangers, Waterers,  
Calf Cottages, Animals Depots  
& Beddings

Milk & Dairy and Meat  
Technologies

Aqua Extrusion,  
Feed/Aquaculture  
Equipment/Wares, Products &  
Quarantine

Fish Farming, Feed Additives,  
Meal/Oil, Processing & Prawn  
& Shrimp Farming Equipment

IT / Software  
Technologists

Pharmaceutical Companies

Cranes, Vegetable and Fruit  
Washers

Meadow Cutting Machinery,  
Planters, Grass Cutters

Bale/Hoe Machinery, Rakes,  
Silage Vehicles, Compressors,  
Cultivators, Cutters, Conveyors

Hole Digger, Ploughs, Holders,  
Pulverizers, Shafts and Shaft  
Couplings, Rotovators

Agrochemicals & Biotechnology  
like Agricultural Pesticides and  
Spraying Machinery, Atomizers  
& Pulverizers

Olive Drawing, Shaking,  
Elimination & Selection  
Machinery, Olive Harvesters,  
Crating and Storage Systems

Machines like Weeding, Lever  
Tearing, Seed Cleaning,  
Branch Breaking, Peeling,  
Cotton, Drying

Slaughter Equipment &  
Wastewater Treatments

Fertilizer, Seed machinery

Bottom Cauldrons, Shading  
Systems, Beet Extraction  
Machinery, Pneumatic Systems

Seafood Processing & Artificial  
Insemination
